

# Emergency

## The Evidence

Yo emergency  
"...emergency" "...emergency"  
"...emergency" "...emergency"  
First up

Mighty Mi supplied the beat down  
These raps are rent paid, four months before I leave town  
Cat, we got the hottest shit that ain't been heard yet  
To most I'm unknown, but to few; a war vet  
I turn checks to cash, but no cash for checks  
I never paid for sex, I pay girls to leave after sex  
(Get the fuck out..) Play my cassanette then jet  
I'm out for blood this year, flows are fangs of death  
Specialize in fresh, M.D. veteran vest  
There's so much to prove, you lose scoreless  
Take Lex, Benz, Beam, convertible 'Vette's  
Cribs and credit cards, payment plans in debt (Gimme that)

We present emergency, feel the pressure  
No way out, situation gettin closer  
Time is tickin, walls are closin  
Options narrow now, your the one that's chosen  
Yo emergency, emergency, feel the pressure  
No way out, situation gettin closer (emergency)  
Time is tickin, walls are closin  
Options narrow now, your the one that's chosen (emergency)

Yo dangerous connections, friends are kept seperate  
Enemies drive 'em off the road, rev the engine  
Levels of suspense, more this year no doubt  
The card that you pull, always leave yourself with outs..  
Stick to ya guns, stick to ya plans  
Stick and hit when ya land, witcha fist and hit a man (boink)  
The name of my crew; Dilated Expand  
Babu, Iriscience, and myself in Japan  
We got international flows  
Under the best sign, rockin zodiac clothes  
The strong survive in water where sharks are swimmin  
Emergency, call the paramedics, lights are dimmin

Yo emergency, emergency, feel the pressure  
No way out, situation gettin closer (emergency)  
Time is tickin, walls are closin  
Options narrow now, your the one that's chosen (emergency)

Emergency, DJ Mighty Mi  
Evidence by the mic "emer..emergency"  
Watch out! "...mer..mer..emergency..emergency"  
"This is an emergency"

So check it out  
The calm before the storm came  
After that, 40 nights and 40 days of rain  
Your weakest link, it's your crew, it stink  
Numb ya brain, unpredictable patterns, and unpredictable pain  
Got attack on hard, raise the game  
Right now there's Columbian cats that's raisin 'caine

Los Angeles Lakers dynasty, change the game  
Say, Defari and Phil y'all, let's clear the land  
That's right, shit's outta control  
Do rap music you perform to rock-n-roll  
Got lyrics cocked back on trigger ready to pull it  
I hitchu like the JFK mystery bullet

Yo emergency, emergency, feel the pressure  
No way out, situation gettin closer (emergency)  
Time is tickin, walls are closin  
Options narrow now, your the one that's chosen (emergency)  
Yo emergency, emergency, feel the pressure  
No way out, situation gettin closer (emergency)  
Time is tickin, walls are closin  
Options narrow now, your the one that's chosen (emergency)

Yo emergency, emergency..
