

# All The Kings Horses

The Firm

They say our love was  
Never meant to be  
That time would make it  
Just a memory

But they don't know  
How can they understand  
We didn't build no  
Castles in the sand

And all the king's horses  
All the king's men  
Couldn't storm this tower  
Of love, my friend  
Of love, my friend

They say our life was  
Just a fairy tale  
No matter how we try  
We must surely fail

But where are they now  
And could they ever understand  
This ivory tower was built  
On rock, not sand

And all the king's horses, baby  
All the king's men  
Couldn't storm this tower  
Of love, my friend  
Of love, my friend

All the king's horses  
And all the king's men  
Couldn't storm this tower  
Of love, my friend, yeah

All the king's horses  
Yeah yeah  
All the king's men  
Couldn't storm this tower  
Of love, my friend

All, all, all the king's horses  
All, all, all the king's men  
Yeah yeah yeah  
Of love, my friend
