## **Together**

The Firm

Now that I'm a man, I Understand I need someone to share This wonderland together

A woman and a man should Find romance So come on take my hand We'll learn to dance together

Living in dreams

Making them real

Know what it means when they say

Now that I'm a man, I
I understand a woman needs a man
To share this life together

Living in dreams
Making them real
Know how it feels when they say
Yesterday shadows on my mind
Yesterday love so hard to find
Now today giving me the sign
Telling me just what you need

Living in dreams
Making them real
Know how it feels when they say
Yesterday shadows on my mind
Yesterday love so hard to find
Now today you're giving me the sign
Oh you're telling me
Just what you need
