

# Secret Separation

The Fixx

We are passengers in time  
Lost in motion, locked together  
Day and night, by trick of light  
But I must take another journey  
We must meet with other names  
Mmm, we must meet with other names

You touched my heart so deeply  
You rescued me now free me  
Don't watch me cry just see me go  
I'll take away the strongest feelings  
you will ever know

(chorus)

There will be no more isolation  
in our secret separation  
You touched my heart so deeply  
you rescued me  
Now free me

We are passengers in time  
Lost in motion, locked together  
Day and night, by trick of light  
But I must take another journey  
We must meet with other names  
If you hold me you will hurt me  
Be brave

(chorus)

We are matching spark and flame  
caught in endless repetition  
Life for life we'll be the same  
I must leave before you burn me  
I am the stranger who deserts you  
only to love you  
in another life

(chorus)

I'll bear one precious scar  
that only you will know  
Passengers in time, free me

(repeat 4x to fade)
