

Sew My Mouth Shut

The Flatliners

You say you've had enough of this
I don't believe you, you idiot
This is a letter to myself
'Cause everyone knows I can't be helped

I can't be helped

Sew my mouth shut so I can't say a word
It just gets me in trouble, trouble I'm not worth
Sew my mouth shut so I can't even breathe
What would life be like without me?

Has your blood run cold overnight?
Twelve months of breathing beneath your lies
There's one you haven't told me yet
But I know about it and how this ends

There's blood in the wake of you and me

Sew my mouth shut so I can't say a word
It just gets me in trouble, trouble I'm not worth
Sew my mouth shut so I can't even breathe
What would life be like without me?

what would life be like without me?

Poison my lungs so I'm just left to wheeze
You just get me in trouble, trouble I can't believe
Just pull me up and make sure you don't drop me
I never could believe

Sew my mouth shut so I can't say a word
It just gets me in trouble, trouble I'm not worth
Sew my mouth shut so I can't even breathe
What would life be like without me?

Sew my mouth shut so I can't say a word
It just gets me in trouble, trouble I'm not worth
Sew my mouth shut so I can't even breathe
What would life be like without me?

What would life be like without me?
