

## Touch My Heaven

The Flower Kings

Should I stay here on the floor?  
I can't get up... and you no more!

Someone's talking in my head  
The sunshine!  
Laugh away my only thread  
The white line  
Touch my heaven

My mind is climbing on the wall  
It's getting high by setting small  
Someone's crying in my ear  
The sunshine!  
Make my way look so clear  
The white line  
Touch my heaven!
