

Pakistani Man Says

The Flys

Steady now easy as it goes
No sense in losin' your head
Steady now the police are around
So keep those hands out of your pockets
Everybody's going crazy
You can see it in their faces
Baby I'm here to have a good time
I'm here to have a good time
Kick it

No sense in losin' our heads

And you know how those guys get
So let's see those hands, throw them in the air
We're all here to have a good time
Look at that smile on my face
I say I'm here to have a good time
