Angry Anthem

The Forces of Evil

If I had my way, I'd never speak to anyone again
I gotta say, I hate people I'm so sick of them
I just can't stand the bullshit I wish I was so far away from i
t
I'm just stupid and I'm angry is it immature for me to say

Fuck all you Motherfuckers
Fuck all you Motherfuckers
Fuck all you Motherfuckers
Fuck YOU!

I feel so lame, 'cause that's the best I can do to express myse
lf
It's always the same, say the "F" word maybe that'll help
I'm so sick of trying to fit in, I don't even know where to beg
in
I got friends but they don't know me, but I'd tell the world to
 blow me

And there's just one more thing that, I have just got to sing y
a
Everyone and everything FUCK YOU!
