

## Any Old Time

The Foundations

Anybody can see  
Lovin' him is all, your hearts set on  
But be it from me  
You'd find, a love  
That started wrong  
If there's ever a day-  
You feel your love slip away-

Any old time baby that you're feelin' down  
Just you hold tight baby, I'll be around  
I won't break your heart  
Or even try to take your heart  
If you're feelin' bad  
Any old time you're lonely and sad

Any old time baby that you're feelin' down  
Just you hold tight baby and I'll be around  
I won't break your heart  
Or even try to take your heart  
If you're feelin' bad  
Any old time you're lonely and sad

Your better off lovin' him, he can give  
You more than I ever can  
But be it from me, you'd find  
A love, that started wrong  
If there's ever a day-  
You feel your love slip away-

Any old time baby that you're feelin' down  
Just you hold tight baby and I'll be around  
I won't break your heart  
Or even try to take your heart  
If you're feelin' bad  
Any old time you're lonely and sad

Any old time baby that you're feelin' down  
Just you hold tight baby and I'll be around  
I won't break your heart  
Or even try to take your heart  
If you're feelin' bad  
Any old time you're lonely and sad

Any old time baby that you're feelin' down  
Just you hold tight baby and I'll be around  
I won't break your heart  
Or even try to take your heart  
If you're feelin' bad  
Any old time you're lonely and sad

Any old time baby that you're feelin' down  
Just you hold tight baby and I'll be around  
I won't break your heart  
Or even try to take your heart  
If you're feelin' bad  
Any old time you're lonely and sad

Any old time baby that you're feelin' down  
Break the heart...
