

# I Can Take or Leave Your Loving

The Foundations

I don't need her  
Don't need the kinda heartaches and pain  
She's gonna have to see  
Things now can never be  
The same again

I won't miss her  
Well maybe just a once in a while  
If she thinks I'm gonna die  
Now that she's said goodbye  
Well she's so wrong  
'Cause I'll just smile

Baby (baby)  
Don't you believe it  
When it comes to your loving  
I can take it or leave it  
Baby (baby)  
Don't you believe it  
When it comes to your loving  
I can take it or leave it

I can take or leave your loving  
I can take or leave your loving

I'm not sorry  
I still think we're better apart  
She said she's gonna see  
The day when there's gonna be  
A change of heart

Baby (baby)  
Don't you believe it  
When it comes to your loving  
I can take it or leave it  
Baby (baby)  
Don't you believe it  
When it comes to your loving
