

Let the Heartaches Begin

The Foundations

I can hear the guitars start to play
And very soon they say
I was a fool to turn my love away
But every glass of wine I feel a glow
And very soon I know
I was a fool to let my baby go

So let the heartaches begin
I can't help it, I can't win
I've lost the girl for sure
And tears can't help anymore, yeah
Just let the heartaches begin
I can't help it, I can't win
I've lost the girl for sure
And now she's gone
I can't hold back the tears, anymore

I see the couples dancin' through the night
They hold each other tight
As they dance, until the morning light
The soft embraces that they seem to share
Makes me more aware
Of the loneliness I try so hard to bear

So let the heartaches begin
I can't help it, I can't win
I've lost that girl for sure
And tears won't help anymore, yeah
Just let the heartaches begin
I can't help it, I can't win
I've lost that girl for sure
And now she's gone
I can't hold back the tears, anymore

Oh baby
Let them begin now yeah now yeah
I just don't care, just don't care, anymore, baby baby
Let them begin now yeah now
Oh I just don't care anymore now
Yeah let the tears begin now
