

Don't Cry, Elena

The Four Seasons

Don't cry, Elena
I'll come back to you
I'll have such lonely nights
'Til this war is through

Don't cry, Elena
Try to understand
Whatever happens now
Is guided by God's hand

Ahh, ah, ah-ahh
Ahh, ah, ah-ahh, ahh

They say I haven't long to live
But they don't know
My will to live is strong
Because I love you so

Don't cry, Elena
Say a prayer for me
I'd like to come back home
But that's not up to me
No, that's not up to me

Don't cry
Don't cry
Elena
