

Idaho

The Four Seasons

Idaho
Where I long to go
Thrilling checker games
Spelling bees, cherry trees

Idaho, lovely Idaho
Daisies on the grass
Grandma's stew
The cows and you

Idaho, lovely Idaho
Playing pick-up sticks
Santa Claus, apple sauce

Idaho
Rain or sleet or snow
You'll be in my heart
I love you so, just
Thought you'd like to know

My Ida
Sweet as apple cider
How I love you so
My Idaho
