

Living Just For You

The Four Seasons

Living just for you (just for you)
Loving someone who (someone who)
Makes my dreams, hopes and schemes
A reality
It's my destiny forever

Living just for you (just for you)
Learning what to do (what to do)
Wanting you, needing you
Walking hand in hand
Wouldn't it be grand loving you?

Born for each other
Just you and me
As time goes by
You'll hear me cry
I'll always be

Living just for you (just for you)
No one else will do (else will do)
Now I know I can show
All my love to you
Spend my whole life through
Living just for you

(Wee ooh wee ooh wee ah, just for you)
(Wee ooh wee ooh wee ah, just for you)
(Wee ooh wee ooh wee ah, just for you)
(Wee ooh wee ooh wee ah, just for you)
