

Marcie

The Four Seasons

Marcie
Woah-oh
Marcie
Woah-oh

Marcie
Ooooo ooo
You're not the same girl
I knew
Even your walk is different now
And when you talk I wonder how
I could love you
(But I do)

Marcie
Woah-woah
I got a feeling
You know
All about things you shouldn't do
You took advantage cause you knew
I still love you

Everything you say and do means nothing now I know I'll never change
you
I guess I'm
Just a fool who's so in love, too blind to see just what you're really
made of

(Marcie)
(Marcie)

Marcie
Ooooo ooooo
I'm gonna be just like you
I'm gonna flirt with every girl
I'm gonna give them all a whirl
And let them tell you
(You'll feel blue)
Like I do
(Marcie Oooo)

Marice
Woah-Oh
Marcie
Woah-Oh
Marcie
Woah-Oh
Marcie
Woah-Oh
