

Marlena

The Four Seasons

Marlena, Marlena
Marlena, don't go oh, no, wo, wo
'Cause I love you so, oh, oh
Never gonna let you go, wo, wo, wo

Marlena, c'mon girl, won't you give in?
Can't you see that you can't win
Never gonna let you go

Shame, flirting with the guys on the corner
You're such a bad girl
Telling me your out with your mother
That's a lie but I still love my Marlena

Don't go oh no
'Cause I love you so
Never gonna let you go

Shame, flirting with the guys on the corner
You're such a bad girl
Telling me your out with your mother
That's a lie but I still love my Marlena

C'mon girl won't you give in
Can't you see that you can't win
Never gonna let you go

Dup dup dupdee do
Dup dup dupdee do
Dup dup dupdee do
Marlena, dup, dup
