

Melancholy

The Four Seasons

Little white cloud above
You have the sky to love
See me, hey I'll be
So lonely, below
Melancholy

With no girl to hold my hand
And noone to understand
That's why, I am
So lonely, below
Melancholy

(Melancholy)
All day long
(Melancholy)
Oh, she's gone
(Melancholy)
Whoa can't you see
Gosh, oh golly, I'm melancholy

(Melancholy)
All day long
(Melancholy)
Oh she's gone
Baby can't you see
Gosh, oh golly, I'm melancholy

Little white cloud above
Hey, you have the sky to love
See me, I'll be
So lonely, below
Melancholy
