

My Sugar

The Four Seasons

My, my, my, my
My, my, my, my
My, my, my, my
My, sugar
Confection, baby

My, my, my, my
My, my, my, my
My, my, my, my
My, sugar
Perfection, baby

Met me
Oh, Honey, met me
Sugar, met me
You know where

My, my, my, my
My, my, my, my
My, my, my, my
My, sugar

Devine
Sugar, so fine
Sugar, be mine
You know why

My, my, my, my
My, my, sugar

When we're together
Leave me girl
(Who's afraid of the big bad world)
Down where, down where
The moon shines bright
You better be there tonight

Come on
Come on, come on
Come on, come on
Doodle, loodle, loodle
Come on
You know where

My, my, my, my
My, my, sugar

When we're together
Leave me girl
(Who's afraid of the big bad world)
Down where, down where
The moon shines bright
You better be there tonight

Come on
Come on, come on
Come on, come on

Doodle, loodle, loodle
Come on
You know where

My, my, my, my
My, my, my, my
My, my, my, my
My, sugar

My, my, my, my
My, my, my, my
My, my, my, my
My, sugar

My, my, my, my
My, my, my, my
My, my, my, my
My, sugar
