

Poor Fool

The Four Seasons

It seems like only yesterday
That you were lying in my bed
Spinning dreams, weaving memories

Walked by your house the other day
I saw you playing in the yard
On a swing
Passing time away
Time away

Poor fool
The light of love has never touched you
(Poor fool)
It seems you've tried a bit too much to
(Find someone who really cares)

You tried in every way to fall in love with someone
Another dream, another day
Another rainbow in the sky
You can follow to find the way

Another part, another play
Another act, that's just part
Of the price
That you've got to pay
Got to pay

Poor fool
While wanting nothing more than love, you
Made some mistakes, but we all do
(Searching for someone to love)

You've got to find someone to give your secret heart to
In your heart
You believe
In your heart

In your heart
You believe
In your heart

Poor fool
Where is the promise that I've made you?
(Poor fool)
Where is the love I've never gave you?
Someday will you fall in love?
Or are you meant to live your life among the lonely?

Poor fool
Where is the promise that I've made you?
(Poor fool)
Where is the love I've never gave you?
Someday will you fall in love?
Or are you meant to live your life among the lonely?

Poor fool
Where is the promise that I've made you?

(Poor fool)
Where is the love I've never gave you?
