

## Silence Is Golden

### The Four Seasons

Oh don't it hurt deep inside  
To see someone do something to her  
Oh don't it pain to see someone cry  
How especially if that someone is her

Silence is golden, but my eyes still see  
Silence is golden, golden, but my eyes still see  
Talking is cheap people follow like sheep  
Even though there is no where to go

How could she tell he deceived her so well  
Pity she'll be the last one to know  
How many times will she fall for his lines  
Should I tell her or should I be cool

And if I tried I know she'd say I lied  
Mind your business don't hurt her you fool  
Silence is golden, but my eyes still see  
Silence is golden, golden, but my eyes still see
