

# Lay Me Down

## The Frames

I will write you letters that  
Explain the way I'm thinking now  
I, I will return to you  
What I have taken long before  
I, I will return again  
When it gets dark and day is done

And lay me down  
In the hallowed ground  
Down by your side I will stay  
So lay me down

And if you wanna stay with me  
Then let me know before it's light  
I, I will recoil myself  
Into the black and darkest night

And lay me down  
In the hallowed ground  
Where my father waits I will stay  
So lay me down

And lay me down  
In the hallowed ground  
Down by your side I will stay  
So lay me down
