

Star Star

The Frames

E H A H

E H A
Star star teach me how to shine shine
H E H A
teach me so I know what's going on in your mind
H E
cause I don't understand these people
H A
who say the hill's to steep
H E
well they talk and talk forever
H A H
but they just never climb

E H A H

E H A
Falling down into situations
H E
bringing out the best in you
H A
you're flat on your back again
E H A
and star you're ever word I'm heeding
H E
can you help me to see
HZ A H
I'm lost in the marsh

E H A
Star star teach me how to shine shine
H E H A
teach me so I know what's going on in your mind
H E
cause I don't understand these people
H A
who say we're all asleep
H E
they'll toss and turn forever
H A H
but no rest will they find
