

# Suffer In Silence

## The Frames

**Asmi** **F#mi**  
Come back, show your face  
**E H**  
Don't you see  
**Asmi** **F#mi**  
You're too good for this place  
**E H**  
Can we leave  
**Asmi** **F#mi**  
It's not your fault, what they say  
**E H**  
Don't believe

**Asus2**  
Or would you rather suffer in silence  
**H**  
Needlessly

**Asus2**  
Or would you rather suffer in silence  
**H**  
And defeat

Ah come on, show the way  
I'll believe  
Welcome back, you've been away  
How's it been

Or would you rather suffer in silence  
Needlessly  
Or would you rather suffer in silence  
And defeat

Asus2 H (střídají se až do konce)

You don't have to suffer in silence  
Needlessly  
You don't have to suffer in silence  
And defeat

**Asus2** **H**  
Wake up... It's your love calling...
