

# Chasing A Rock Star

The Friday Night Boys

I bet you think it's the last time  
Your head is spinning and you wonder why  
He's not missing you  
But don't take my word, do what you want to

Chasing a rockstar  
But where will you go?  
You're chasing him too far  
The way you move so slow-woahoh  
You swear you're innocent  
But I know that you'll regret  
Chasing a rockstar now  
Get over yourself

You wanna take a chance  
But you keep thinking we'll end in romance  
He's not missing you  
Don't take my word, do what you want to  
I guess now it's up to you

Chasing a rockstar  
But where will you go?  
You're chasing him too far  
The way you move so slow-woahoh  
You swear you're innocent  
But I know that you'll regret  
Chasing a rockstar now  
Get over yourself

Why can't  
You stay  
Right where you are  
You're losing track of me so let's start this over tonight  
Give up your dreams  
And say goodbye

Chasing a rockstar  
Chasing a rockstar  
But where will you go? (where will you go?)  
You're chasing him too far  
The way you move so slow-woahoh  
You swear you're innocent  
But I know that you'll regret  
Chasing a rockstar now  
Get over yourself  
Chasing a rockstar  
You're chasing a rockstar  
Chasing a rockstar now  
Get over yourself  
Get over yourself
