

Girl You Blow My Mind

The Friday Night Boys

We're out of time, and I don't know what to think about
We've lost control, but you'll never know
Mixed up between one with the other
This girl is too much

There's plenty of time to sit and wonder
So this gets harder everytime

Sleep tight girl, we're not fine tonight
You got me running around in circles
I thought you wouldn't go
Now I can't deny that
Girl, you blow my mind

Eyes are faking, body is shaking
Never think twice, but it's only a game,
Now you got me thinking nothing's the same
Now are you listening?
This girl is too much

There's plenty of time to sit and wonder
So this gets harder everytime

Sleep tight girl, we're not fine tonight
You got me running around in circles
I thought you wouldn't go
Now I can't deny that
Girl, you blow my mind

Can't look over your shoulder
All these nights will get colder
What you want, girl, you don't know
This time you better take it slow, slow

There's plenty of time to sit and wonder
So this gets harder everytime

Sleep tight girl we're not fine tonight
You're not Friday night.
Sleep tight girl, we're not fine tonight
You got me running around in circles
I thought you woudn't go
Sleep tight girl we're not fine tonight
You got me runnning around in circles
Thought you wouldn't go
Now I can't deny that
Girl, you blow my mind
