

I'm Sad The Goat Just Died Today

The Frogs

I'm sad because my goat just died today
I'm sad my goat just fell in the hay, hey
We're all sad the goat just died today, well, well, well
We're sad enough to cry, cry-ay-ay-ay
Sad the goat just died tonight
We're sad, his funeral's gonna be out of sight
We're so sad, but in a way we're happy
He didn't suffer too much
He only got the cramps once
Sad, oh, the piece of poop wouldn't come out of his belly
Sad, we had to call Doc Nelly
We're sad
