

## Fragments Of Memories

### The Frozen Autumn

Fadin' colours in your eyes...  
In your mind.  
When you call the shadows  
I hear their voices in my room  
When you call the shadows  
Wasted emotions reamain, in vein

Fadin' colours in your eyes...  
In your mind.  
When you call the shadows  
I hear their voices in my room  
When you call the shadows  
Wasted emotions reamain, in vein
