

Blood And Thunder

The Gates of Slumber

Blood and thunder
The call of death
One step closer
Final breath
Going under
Down you are laid
Torn asunder
Debts are paid
Blood and thunder
Tears you cry
Heart eternal
Goes down to die
Hammer has fallen
Down you go
Blood and thunder
Fatal blow
Blood and thunder
Final strike
Final warning
Head on spike
Force unbroken
Your strength fails
Driven backwards
Coffin nails
