

Clever monkey

the Gazette

I send this song to the honest pink monkey
Amayakasa reta sono men no kawa kono ba de
I tear it off

Dance until you die

Ungainly boy
You are too different from me
If you want stimulation
I give it

This is not hatred for you
Will it be some kind of mistakes to be overconfident?

Answer Mother Fucker

You are clever monkey
Different from me
Ungainly boy
Dance until you die
Know yourself

This is not hatred for you
Will it be some kind of mistakes to be overconfident?
That's too bad...

You are clever monkey
