

THE INVISIBLE WALL

the Gazette

Pig is that soaked in soup of crime
Is it a pain of the children whom you murdered
Hate yourself

In the maze without an end,
Why do you still breathe?

Gareki no shita de shinjitsu ga notauchimawaru e wa,
Naniyorimo fukai, the invisible wall
Kodoku zouo shitto fuan,
Kyomu ni saita muhyoujou naniyorimo omoi. the invisible wall

Sanjou ouu fujouri ni omoeta warau aozora

In the maze without an end,
Ayamachi ni obore,
In the maze without an end,
Why do you still breathe?

Sorrow made you,
Sorrow made you,
Sorrow made you,
In the bottom of the dark sea,
Sorrow made you,
Sorrow made you,
Sorrow made you,
Tsugunai tsuzuke and die.
