

# Richie Dagger's Crime

The Germs

[Chorus:]

I'm Richie Dagger  
I can stomp and swagger  
I can take on all your heroes  
I'm Richie Dagger  
I'm young and I'm haggard  
The boy that nobody owns  
He sits in his corner like a child despised  
A crazy sort of cast comes over his eyes--  
That's Richie Dagger's crime

He's the sort of boy who was never much loved  
His idea of fun was society's grudge--  
That's Richie Dagger's crime

His life was a mess  
And his friends weren't quite the best  
But he was satisfied--  
That's Richie Dagger's crime  
Suck me in and spit me out  
Devour me in haste

[Chorus]

He could set your mind ablaze  
With sparkling eyes and visionary case  
He stood like the remnant of an outbreak past  
Wore something in his ear and  
Boy was he sass--

[Chorus]
