

## Letter Of Credit

### The Getaway Plan

You cease to amaze me  
With these means of letting go  
It's all in your nature  
And I can't help telling you  
Can't you see that you are wasting all your time?  
It's Not Poetical  
After all  
Here's my heart  
In an envelope  
Again  
(You're so typical)  
(Critical)  
(Unstoppable)  
(Permissible)

I know why you're absent  
It was better left alone
