

# Beauty of the Unhidden Heart

The Glitch Mob

When you are here my heart is raised.  
When you are here my heart is raised.

Feel it all.  
Feel it all again.  
Feel it all.  
Feel it all again.  
Feel it all.  
Feel it all again.  
Feel it all.  
Feel it all again.

When you are here my heart is raised.  
When you are here my heart is raised.

When you are here.  
When you are here.  
When you are here.  
When you are here.  
When you are here.  
When you are here.  
When you are here.
