

Finding You

The Go-Betweens

What would you do if you turned around
And saw me beside you
Not in a dream but in a song?
Would you float like a phantom
Or would you sing along?

Don't know where I'm going
Don't know where it's flowing
But I know it's finding you

What would you do
If you saw me driving by in a car
The quickest you've ever seen me spin?
Would you smile and wave
Or would you bow and get in?

Don't know where I'm going
