

Be My Animal

The Good Natured

I am searching for you
I'm following
Footprints, the scent of you
I'm back again
I'm back again

I want some more
Give me some more
What are we made for?

Be my animal, hunt me down
Take me now, take me now
All the way to the ground
Be my animal, kill me now

You dig your claws into me
Can't get enough, can't get enough
Sinking my teeth into you
It's not enough
It's not enough

I want some more
Give me some more
What are we made for?

Be my animal, hunt me down
Take me now, take me now
All the way to the ground
Be my animal, kill me now

Kill me now, kill me now
Kill me, kill me, kill me now
Kill me now, kill me now
Kill me, kill me, kill me now

Be my animal, hunt me down
Take me now, take me now
All the way to the ground
Be my animal, kill me now

Be my animal, hunt me down
Take me now, take me now
All the way to the ground
Be my animal, kill me now
