The Good Natured

I'm so tired
I'm so tired
I can barely see you moving
You better look alive
I hide behind the lights
and ah ah ah ah say oh ah ah
I'm so tired
I'm so tired and ah
I can see your body screaming
It makes me feel alive
My eyes all over you and ah ah ah ah ah ah ah ah

I can see you follow you wherever you go
Shining in the dead of night
I can see you picture you wherever I go
Naked in the dead of night

Video voyeur
Shining in the dead of night
I can see you all the time
Naked in the dead of night

I'm so high
I'm so high
When I hear your body screaming
It makes me paralysed
I'm so high
I'm hypnotised and ah ah ah say oh ah
I am coming down
We are rolling 1 2 3
See your body on the screen of my TV
I am coming down
We are rolling 1 2 3
Ah ah ah ah ah ah

I need you
Just give me what I want
Don't leave me hanging til the morning light
I need you
You are the one I want
Don't leave me hanging til the morning light
