

## History Song

The Good, the Bad & the Queen

Come The Day  
You See The Sun  
Hit The Arch  
A History Song

If You Don't Know It Now Then You Will Do  
If You Don't Know It Now Then You Will Do

A Ship Across  
The Estuary  
Sundays Lost  
In Melancholy

If You Don't Know It Now Then You Will Do  
If You Don't Know It Now Then You Will Do

A Storm Of Strings  
Far Away  
The Hangers On  
Saved The Day

If You Don't Know It Now Then You Will Do  
If You Don't Know It Now Then You Will Do  
And If You Don't Feel It Now Then You Will Do  
And If You Don't Feel It Now Then You Will Do

La La La La La La La  
La La La La La La La  
La La La La La La La  
La La La La La La La  
La La La La La La La  
La La La La La La La
