

## Pushed Her Down

### The Gourds

I kissed the ground  
I coughed it up  
My lemon skin  
My broken jar  
I pushed her down on my way up  
I saw the top  
Of her head  
I was tired  
So I went to bed  
I pushed her down on my way up  
Now the bones  
And leaves are dry  
I sleep in the corners  
Of her eyes
