

Nobody Loves You

The Greenhorns

Nobody loves you like I love you
Nobody loves you like I do yeah
I'm gonna show you, I'm gonna show you
Nobody loves you like I do yeah
I'm gonna take you in my arms
I'm gonna show you right from wrong
Early in the morning, late in the evening
Early in the morning, late in the evening
I'm gonna show you, I'm gonna show you
Nobody loves you like I do yeah
I'm gonna take you, hold you tight

We'll be together, it seems so right
Nobody loves you like I love you
Nobody loves you like I love you
I'm gonna show you, I'm gonna show you
Nobody loves you like I do yeah
I'm gonna take you in my arms
I'm gonna show you right from wrong
I'm gonna take you, hold you tight
We'll be together, it just seems right yeah
Nobody loves you like I love you
Nobody loves you like I love you
Nobody loves you like I love you
Nobody loves you like I do
