

# Shine Like The Sun

The Greenhornes

Nothing I do will break this spell  
I'm walking through a dream  
I don't know what's come over me  
Lost in trance like a moth to the flame

Of your eyes, oh  
Shines like the sun in the flame  
Of your eyes, oh  
Shines like the sun

There's a mist all around me  
I wonder if I will ever wake  
I don't know what's come over me  
Lost in trance like a moth to the flame

Of your eyes, oh  
Shines like the sun in the flame  
Of your eyes, oh  
Shines like the sun

Please say the words  
That I long to hear  
And let me know  
That you will be mine

Nothing I do will break this spell  
I'm walking through a dream  
I don't know what's come over me  
Lost in trance like a moth to the flame

Of your eyes, oh  
Shines like the sun in the flame  
Of your eyes, oh  
Shines like the sun in the flame

Of your eyes, oh  
Shines like the sun, oh  
Oh, oh, oh  
Oh, oh, oh
