

## It's No Use

### The Growlers

You give 'em  
Now take 'em  
Knock them all down  
I keep myself up

There's something I'm trying to say, trying to prove  
I don't know which one I'm trying to do  
Either way, it's no use

Bigger the better  
Harder they fall  
Save 'em for later  
Try to hold them all

There's something I'm trying to say, trying to prove  
I don't know which one I'm trying to do  
Either way, it's no use

I have my ship  
That's what I want[?]  
Coming for a shell[?]  
For I'm in love

There's something I'm trying to say, trying to prove  
I don't know which one I'm trying to do  
Either way, it's no use
