

Lonely This Christmas

The Growlers

Alright
Merry Christmas everybody

I'll try not to cry

Try to imagine a house that's not a home
Try to imagine a Christmas all alone
That's where I'll be
Since you left me
My tears could melt the snow
What can I do
Without you
No place, no place to go

It'll be lonely this Christmas
Without you to hold
It'll be lonely this Christmas
Lonely and cold
It'll be cold so cold
Without you to hold
This Christmas

Each time I remember the night you bailed on me
And how I remember how I cried myself to sleep
I just break down, as I look around
And the only thing I see
Is loneliness and emptiness
And an unlit Christmas Tree

It'll be lonely this Christmas
Without you to hold
It'll be lonely this Christmas
Lonely and cold
It'll be cold so cold
Without you to hold
This Christmas

It'll be lonely this Christmas
Without you to hold
It'll be so very lonely
Lonely and cold

It'll be lonely this Christmas
Without you to hold
It'll be lonely this Christmas
Lonely and cold
It'll be cold so cold
Without you to hold
This Christmas

Merry Christmas, baby, wherever you are

It'll be lonely
Lonely and cold
It'll be cold so cold
Without you to hold
This Christmas
