

Uncle Sam's a Dick

The Growlers

Uncle Sam's a dick
I'm up to my neck in debt
I can't afford no trip
I need a push, give me a lift
Just enough to get me going
No, I ain't talking getting rich
I need to slow down the dogs
Got to gain some ground
Got to get away from the hounds

Left in the open like a snack
Help me up off my back
Get them off my back
I need a helping hand from a brother, man
Can you understand

They're telling me what I need
Trying to complicate my lift
All I need is a little bit of space
A pretty face
Just a little place

All I need all that I have
I don't need another mamma and a dad
All I need all that I have
I don't need another mamma and a dad
I don't need another mom and dad

Uncle Sam's a dick
I'm up to my neck in debt
I can't afford this shit
Give me a push, I need a lift
Just to get me going
I ain't talking getting rich

Left in the open like a snack
Help me up off my back
Get them off my back
I need a helping hand from a brother, man
Can't you understand

Flip me over like a snack
Help me up off my back
Get them off my back
I need a helping hand from a brother, man
Don't need Uncle Sam
I don't need another mom and dad
