Didn't Stop Us

The Hellacopters

They can't say what state we're in
They can't blame on what we spin
(Song)
'Cause it's fucked-up business scene
Where they want everything to be so clean, yeah

Well, I don't mind the pain
For the companies golden rain
'Cause we know how to do
And we don't care 'bout you

Tick tack tick tack boom
There's a bomb inside your room
And it's just about to explode in your face
By then we've won the go-go race

Well, I don't mind the pain
For the companies golden rain
'Cause we know how to do
And we don't care 'bout you

They didn't stop us
They can't stop us
They didn't stop us
Never, never, never, never, never, oh no

Oh yeah
Well, I don't mind the pain
For the companies golden rain
'Cause we know how to do
And we don't care 'bout you

They didn't stop us
They can't stop us
They didn't stop us
Never, never, never, never, never, oh no, no, no
