

## Crowded Table

## The Highwomen

You can hold my hand  
When you need to let go  
I can be your mountain  
When you're feeling valley-low  
I can be your streetlight  
Showing you the way home  
If you can hold my hand  
When you need to let go

I want a house with a crowded table  
And a place by the fire for everyone  
Let us take on the world while we're young and able  
And bring us back together when the day is done

If we want a garden  
We're gonna have to sow the seed  
Plant a little happiness  
Let the roots run deep  
If it's love that we give  
Then it's love that we reap  
If we want a garden  
We're gonna have to sow the seed

Yeah, I want a house with a crowded table  
And a place by the fire for everyone  
Let us take on the world while we're young and able  
And bring us back together when the day is done

The door is always open  
Your picture's on my wall  
Everyone's a little broken  
And everyone belongs  
Yeah, everyone belongs

I want a house with a crowded table  
And a place by the fire for everyone  
Let us take on the world while we're young and able  
And bring us back together when the day is done  
And bring us back together when the day is done
