

Redesigning Women

The Highwomen

Full time livin' on a half time schedule
Always tryna make everybody feel special
Learnin' when to brake and when to hit the pedal
Workin' hard to look good till we die

A critical reason there's a population
Raisin' our brows in a new generation
Rosie the Riveter with renovations
And always gets better with wine

Redesigning women
Runnin' the world while we're cleanin' up the kitchen
Makin' bank, shakin' hands, drivin' 80
Tryna get home just to feed the baby
Skippin' the bread for the butter
Changin' our minds like we change our hair color
Yeah, ever since the beginning
We've been redesigning women

Pullin' up the floors and changin' out the curtains
Some of us are saints and some of us are surgeons
Made in God's image, just a better version
And breakin' every jello mold

And when we love someone we take 'em to Heaven
And if the shoe fits, we're gonna buy 11
How'd we get it done? We like to keep 'em guessin'
But secretly we all know

Redesigning women
Runnin' the world while we're cleanin' up the kitchen
Makin' bank, shakin' hands, drivin' 80
Tryna get home just to feed the baby
Skippin' the bread for the butter
Changin' our minds like we change our hair color
Yeah, ever since the beginning
We've been redesigning women

How do we do it? How do we do it?
Makin' it up as we go along
How do we do it? How do we do it?
Half way right and half way wrong

Redesigning women
Runnin' the world while we're cleanin' up the kitchen
Makin' bank, shakin' hands, drivin' 80
Tryna get home just to feed the baby
Skippin' the bread for the butter
Changin' our minds like we change our hair color
Yeah, ever since the beginning
We've been redesigning women
