

And The Sad Thing Is...

The Icarus Line

Now i can see what you're doing to me
And i'm begging me to stop this
Now i can't see what you're doing to me
What are you doing to me?
Daylight savings time couldn't save me from you
Angel in my mind, casual abuse
And the sad thing is you'll never know me
(i can test you, i can tell you're lying)
