

A part of

The Idoru

I just wanted to say to you that i'm sorry
But i'm a part of this dying world
My dreams still hang by a hair
In the centre of everything
And i know they're gonna slowly fade
Into that gloomy emptiness.

Yeah, i should have told you before
Yeah, you just should have known it before
(that i'm a part of this dying world)

and that very first day when i saw
the shadows unite ont hat paleblue wall,
that was the day when i had
the chance to make it clear
but now that's just a last moment.

Lying muted under the ceiling
With the feeling that these walls
Are my last companions
Another day is suffered through
And i'm lost in counting the sunrises
And this room is not about to embrace
My loneliness still rising
