

# Empty Pocket Blues

The Incredible String Band

My pockets empty baby  
Singin' the blues for you  
My pockets empty baby  
You know I love the truth  
Even my old kettle  
Is whistling the blues for you  
Back again  
I'm still waiting for  
Back again  
with you  
The nights are lonely baby  
I need you all the time  
I am lonely baby  
Need your lips on mine  
Even my old kettle  
Is whistling the blues for you  
Back again  
I'm still waitin'  
I'm goin' back again  
With you  
My pockets empty baby  
Singin' the blues for you  
My pockets empty baby  
You know I love the truth  
Even my old kettle  
Is whistling the blues for you  
Back again  
I'm still waiting  
I'm going back again

With you.
