

## Green Grass, Red Tree

### The Innocence Mission

Green grass, go on  
Green grass, go on  
There's nothing to keep you  
Green grass, go on.

Red tree, go on  
Red tree, go on  
You've waited a long time  
You've waited a long time  
You've waited a long time  
You've waited a long time.
